COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- It is greatly preferred that you enter using the online entry system [Eventor](#) several days prior to the event.
- There will be limited entry or payment on the day.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.

If you have COVID-19 symptoms, have been in recent contact with a COVID-19 case, or have travelled overseas recently please stay home.

About This Event

This is the second event in the 2021 Autumn Twilight Series for Northern Tasmania. Four courses are available – Long, Medium, Short and Walkers

Where is the Start?

The start is near the overflow carpark just up from the main carpark. Parking in the overflow carpark will give you close access to the start and finish. Signs will be placed in the park to direct you in the right direction.

When Can I Start?

You can start anytime between 4 and 6pm. Starting as early as possible gives you more time to complete the course.

When do I Have to Finish?

You need to finish before the course is closed at 7pm. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Punchbowl

Scale: 1:4000

Contour Interval: 2 meters

What are the Courses?

Short, Medium, Walkers and Long distance courses are available. The Short courses are suitable for newcomers.

Course	Navigation	Distance (Approx)
Long	Hard	3.4 km
Medium	Moderate/Hard	2.3 km
Short	Easy	1.5 km
Walkers	Moderate/Hard	2.1 km

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. **Due to COVID-19 we are no longer offering SI-stick hire. Thanks to a Government Grant we are currently offering P cards for \$10 (half-price).**

P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls.

You can buy a P-card for \$10 when you enter online. When entering an event by Eventor choose 'Purchase of P card' from the drop-down menu in 'Available Services' and click the green Add button to make the purchase. For your first event we will lend you an SI-stick for free.

If you would like to buy an SI-stick (from \$60), some clubs may have them for sale (ask at an event) or see aussieogear.com

How do I Enter?

Enter online by midnight on Sunday 14th of February before the event. Late entry may be available for an extra charge. Limited entry on the day is available at local and twilight events.

- Enter using [Eventor](#) – the online orienteering entry system.
- If you need help to enter, follow the [How to Enter guide](#).

- For a local or twilight event, there will be limited entry on the day for an extra charge of \$2 (adults) and \$1 (junior). It cannot be guaranteed that a map for your preferred course will be available. Payment at the event is by card only.
- There will be no entry or payment on the day for OST and Championship events.
- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free.
- Complete newcomers may enter on the day at a local event (first event free)

Information for Newcomers

Newcomers are encouraged to come along and give bush orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

Your first orienteering event will be free of charge (including loan of SI-stick) and you do not need to pre-enter. When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

How Much Does it Cost to Enter?

If it's your first local event, it's free (including free loan of SI-Stick)!

Limited entry on the day will be available for an extra charge of \$2 per adult and \$1 per child.

Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- **WinSplits** shows everyone's times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Tasmania Results in Winsplits](#) at the top.
- **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.
