

OWA NavDash Event 28 February 2021

Directions

Park on the north side of the City of Gosnells administration building. Enter from Albany Highway or Mills Road West. Registration will be on the SW forecourt of the building or on the lawn to the west, depending on the weather (no OWA caravan on site).

Map

The map is 1:4000, 2m contours.

A copy of the map will be displayed at registration for people unfamiliar with the NavDash ('sprint') map format. The area has manicured parkland and fairly open riverside bush, with some commercial area on the hard courses.

Out of Bounds

Anyone unfamiliar with NavDash maps should look at the display map in order to be aware of the various symbols for areas that are not to be entered or crossed. The broad "do not cross" purple line has been used to avoid any ambiguity at a small weir that is mapped with the uncrossable wall symbol.

Control descriptions

Descriptions will be printed in IOF symbols on Hard course maps; English on Easy. Copies, including English for the Hard courses, can be collected at the pre-start.

Start

The Start is on the north side of the building. Pre-entries may go directly to the Start.

Starts will be at 1 minute intervals. The start sequence is: (1) collect descriptions and wait; (2) pick up map but do not turn it over; (3) at start time punch the SI Start station, then look at the map, proceed to the Start marker flag (only 10m away; no SI) and carry on.

Water

There is no water on the courses. There is a bubbler in front of the building.

Courses

Long Hard: 2.7 km straight-line (about 3.5 km)

Short Hard: 1.8 km (about 2.3 km)

Easy: 1.2 km (about 1.3 km).
