

UFO Event 1- Boomerang Park

Location: North-East Corner of Boomerang Park at the corner of Freeth and Kangaroo Street.

Map: Boomerang Park 1:4000, 2m contours

Start: Starts are between 5pm-6:30pm. The start is located a 200m flat walk from the assembly.

Course Closure: 7:10 pm

Setter: Oskar Mella

Vetter: Bjorn Mella

Courses:

	Length (km)	Controls	Climb (m)	Map Flip	Descriptions
Long	4.2	28	80	Yes	Symbols
Short	2.7	19	50	No	Symbols
Mini	1.2	13	15	No	English

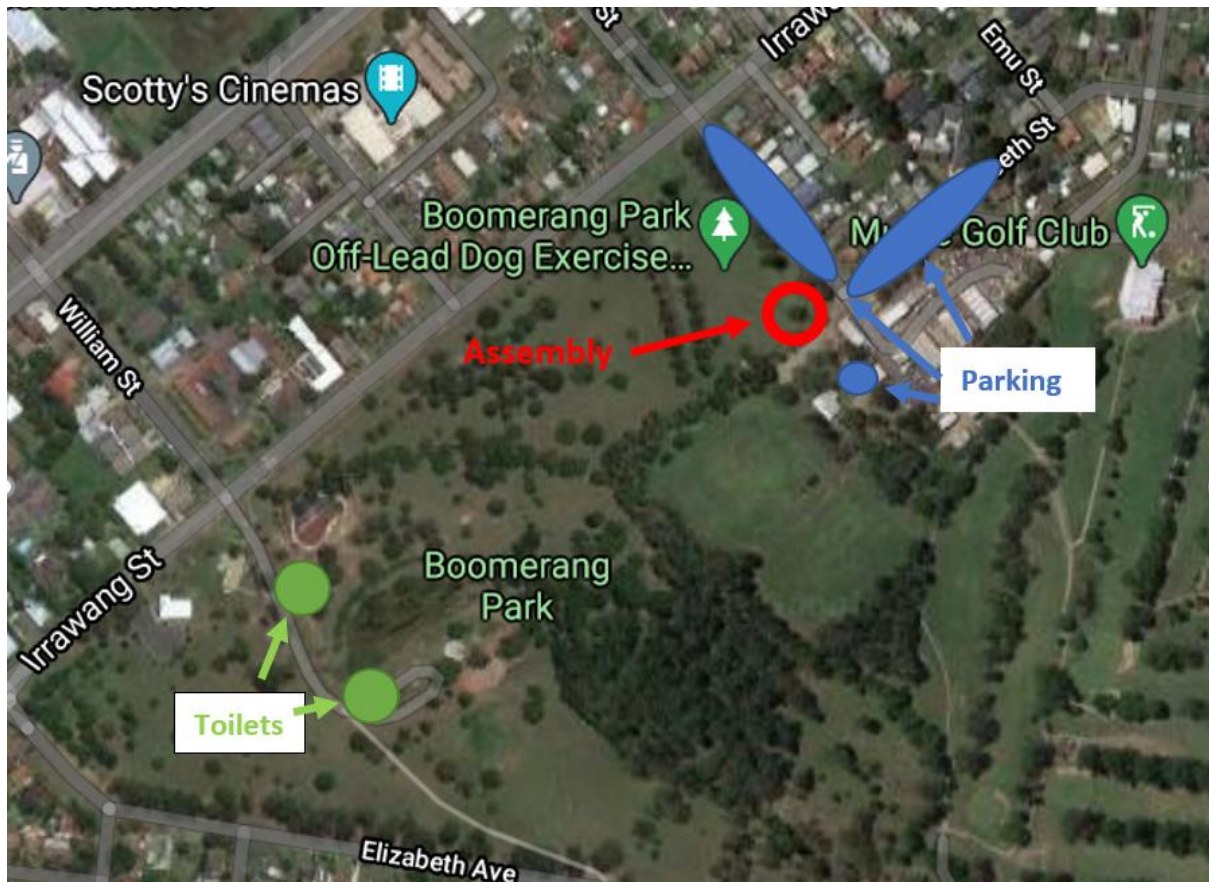

Descriptions: Control description will be printed on the map or you can print your own.

Parking: Parking on Freeth Street or Kangaroo Street. Limited parking immediately adjacent to assembly area.

This is a Sport Ident (SI) event. There is an SI unit attached to each control, so you will need to bring your SI stick or P-card. **There are 28 controls on the long course, so a SI stick is needed for this event.** Cards and sticks are available for hire at the event if you do not have one.

Notes:

- Toilets are located at the other end of Boomerang park just inside the William Street entrance. They close at 6pm
- A fire has burnt parts of the map reducing vegetation density in some areas from what is mapped.
- Creeks are indistinct in general.
- No park benches are mapped.
- Special map symbols black circle - grave, Black cross - playground or sport equipment

There will be a free sausage sizzle provided by the local Rotary Club to launch the UFO series. This is part of their efforts to raise awareness within the community for Rotary in Australia. They will provide sausages, meat/vegetable patties, bread, onions and sauces. Rotary will be operating under their Covid safe plan. Please support them and maintain physical distancing when visiting the BBQ.
