

OY1 + OG AGM – Spillway Common, Wivenhoe

The OY calendar kicks off this year with some exciting middle distance courses at Wivenhoe Dam!

Courses

Courses are in a middle format, with estimated 30m winning times. Distances are approximate.

Hard 1 - 4km

Hard 2 - 3km

Hard 3 - 2km

Moderate - 2km

Easy - 1.8km

Very Easy - 1.6km

Assembly and facilities

The assembly area/parking is at The Spillway Common Picnic Area immediately in front of the Wivenhoe Dam wall. There are toilets and water at the assembly area, which is where the AGM will be held. The exact location of the assembly area can be found as the arena flag on Eventor.

Entries

We apologise for the late opening of entries and change of venue, it has been extraordinarily difficult to negotiate permissions for a sprint venue due to COVID-safe requirements. Entries close at midnight Friday 26/02. There is **no enter on the day**.

Entry fees

Adult Member \$12/Non-Member \$18

Junior Member \$8/Non-Member \$12

Family Member \$32/Non-Member \$48

SI Hire \$2. Note that **SI Air will be activated for the event**.

Starts and AGM

Starts are strictly from 9am-10am, and the AGM is at 10:30am. **Course closure is at 11:30am**. Those wishing to attend the AGM should start earlier within the start block. There is a **1.5km walk to the start, allow 20m walk**. This is so that courses can avoid the worst of the grass.

Schools team

School students wishing to use this OY as a selection race for the Qld Schools Team should run the following classes in this event:

- Junior Boys & Junior Girls (15yrs & under) - Moderate.
- Senior Boys - Hard 2
- Senior Girls - Hard 3.

Info and terrain

The terrain is variable, from steep burnt areas of scattered rock to flatter areas with long grass (although no grass seeds have been seen!). Full leg covering is recommended.

(info continues on next page)

There is no water on courses, however there is water at the assembly area. Those who are expecting to need water on course should bring their own. Additionally, in the event of rain **no map bags will be provided**, again those who sweat a lot or are expecting rain should bring their own. Due to the heat and risk of snakes, **whistles are compulsory**.
