COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- It is greatly preferred that you enter using the online entry system [Eventor](#) several days prior to the event.
- There will be limited entry or payment on the day.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.

If you have COVID-19 symptoms or have been in recent contact with a COVID-19 case please stay home.

About This Event

This is the 4th event of the Northern Autumn twilights. Four courses are available – Long, Medium, Short, and Walkers.

Where is the Start?

The start is at the EVOC shed at the Windsor Precinct. Follow the signs to the parking beside the shed.

When Can I Start?

You can start anytime between 4pm and 6pm. Starting as early as possible gives you more time to complete the course.

When do I Have to Finish?

You need to finish before the course is closed at 7pm. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Windsor

Scale: 1:5000

Contour Interval: 5m

What are the Courses?

Walkers, Short, Medium and Long distance courses are available. The Walkers and Short courses are suitable for newcomers.

Course	Navigation	Distance (Approx)
Long	Moderate	3.6 km
Medium	Moderate/Hard	2.9 km
Short	Easy	2 km
Walkers	Easy	2.5km

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls. You can buy a P-card for \$20, or SI Stick for \$70 when you enter online via Eventor when entering an event. Choose 'Purchase of P card' or 'Purchase of SI Stick' from the drop-down menu in 'Available Services' and click the green Add button to purchase. For your first event we will lend you an SI-stick for free.

How do I Enter?

Enter online by midnight on Sunday 28th before the event. Late entry for OST events may be available online for an extra charge. Limited entry on the day is available at local and twilight events for an extra charge.

- Enter using [Eventor](#) – the online orienteering entry system.
- If you need help to enter, follow the [How to Enter guide](#).

- For a local or twilight event, there will be limited entry on the day for an extra charge of \$2 (adults) and \$1 (junior). It cannot be guaranteed that a map for your preferred course will be available. Payment at the event is by card only.
- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free.
- Complete newcomers may enter on the day at a local event (first event free)

Information for Newcomers

Newcomers are welcome at all events. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

Your first orienteering event will be free of charge (including loan of SI-stick) and you do not need to pre-enter. When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- **WinSplits** shows everyones' times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Tasmania Results in Winsplits](#) at the top.
- **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.
