Next SSS event – 10 March 2021
Northbridge Oval, Sailors Bay Rd, Northbridge

Event and Course notes:

Parking is limited on Holly Street, as Council is resurfacing the Oval Carpark. This may include some local road closures. You might need to park a little further way than usual. Headland Road and Kendall Road are good options.

- **Please stay on bush tracks.**
- **The track NE of #5 is steep, but a good short-cut if you are running out of time.**
- **The bush track between 21 and 18 is a new addition to this map! It has some less distinct tracks going up to private properties, pink tape help guides you on the track.**
- **Hint: #30 is up high - on the western side of bridge**
