

OACT EVENT MANAGEMENT WORKSHOP

SATURDAY APRIL 17TH, 2021

HUGHES COMMUNITY CENTRE – Wisdom Street, Hughes

Have you ever wondered what goes on behind the scenes at an Orienteering event?
Would you like to find out?
Even if you don't, your knowledge of and interest in new ideas will be invaluable.

If you have volunteered/been allocated a role by your Club for an event in 2021, this workshop is for you.

The workshop will cover some general principles involved in

- Event Organisation
- Course Planning strategies
- Overview of Eventor, OE, OS and MeOS event management systems
- And PRIMARILY, there always is a reason, Event Controlling.

DO NOT BE AFRAID – Controlling is not as onerous as it may appear.
Many have become accredited and still continue to enjoy Orienteering.

PLEASE – give some thought to attending and you might be surprised at how much you actually know and how much you can contribute to Orienteering in an event management and/or planning role.
