M20E	9:45	10:09
W21E	9:50	10:44
M21E	10:21	11:21
M21AS	10:00	9:00

Day 2 is a reverse chasing start two minute intervals, fastest starts last.

Day 2 start lists will be available on Eventor on Saturday night and displayed at Registration and the start on Day 2.

Day 3 is a chasing start for 30 minutes, fastest starts first, and then every two minutes. First to finish will be overall winner.

The organization of the chasing start on Day 3 requires some extra work by the start team. If you are within 30 minutes of the leader after Day 2 please write your time gap on your bib and work out your start time. A list of these times will be made available on eventor (ASAP) and displayed at Registration on Monday morning and also at the pre start. Please listen for your name and time to be called at the start, any competitor late (for any reason) will start at the end of the class.
