COURSE NOTES:

Commence the bush season of orienteering with easy navigation at Whiteman Park.

The area is general flat, sandy, kilometres of fences and thousands of kangaroos (beware of ticks). Navigation is not difficult at Whiteman Park, but route choices will be governed by out-of-bounds areas and the many wire fences.

Start and Finish are west of Mussel Pool. Park north of the toilet block, where we had the 2020 OWA dinner.
