COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- It is greatly preferred that you enter using the online entry system [Eventor](#) several days prior to the event.
- There will be limited entry or payment on the day.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.
- At the event check in with the Check in TAS App.

If you have COVID-19 symptoms or have been in recent contact with a COVID-19 case please stay home.

About This Event

This is the second Southern Saturday afternoon orienteering event for 2021. All courses will be in and around the groomed slopes and pathways of Charles Hand Memorial Park, Rosny, adjacent to Kangaroo Bay. All courses offer easy running or walking with a mix of natural and built features.

Where is the Start?

The assembly area is near the front entrance of Rosny College. To get there turn west into Riawena Road from Rosny Hill Road, then first left (south) into Bastick Street and then left into the access road to the College, just past Rosny Park Tennis Club. Ample parking is available, but avoid the boat ramp area.

When Can I Start?

You can start anytime between 1:30pm and 3pm.

When do I Have to Finish?

You need to finish before Course Closure at 4pm. If you cannot complete your course by 4pm you will need to abandon it and head back to the assembly area.

Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the courses are closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Kangaroo Bay, updated April 2021

Scale: 1:4000

Contour Interval: 2.5 metres

What are the Courses?

Courses are easier and shorter than is usual for local events, given the generally open terrain and fewer daylight hours at this time of the year.

Novice, Short, Medium and Long distance courses are available. The Novice Course is ideally suited for newcomers and family groups. The Short Course incorporates a small area of bushland, and would be perfect for those wishing to step up from easy to slightly harder navigation

Novice: 1.6 km; 27.5 m climb

Short: 1.8 km; 17.5 m climb

Medium: 2.5 km; 55 m climb

Long: 3.1 km; 50 m climb

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. Due to COVID-19 we are no longer offering SI-stick hire.

P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls.

You can buy a P-card for \$20 when you enter online. When entering an event by Eventor choose 'Purchase of P card' from the drop-down menu in 'Available Services' and click the green Add button to make the purchase. For your first event we will lend you an SI-stick for free.

If you would like to buy an SI-stick (from \$60), some clubs may have them for sale (ask at an event) or see aussieogear.com

How do I Enter?

Enter online by midnight on Wednesday 5 May, 2021. Late entry is not possible, but limited entry on the day is available at the event for an extra charge.

- Enter using [Eventor](#) – the online orienteering entry system.
- If you need help to enter, follow the [How to Enter guide](#).
- There will be limited entry on the day for an extra charge of \$2 (adults) and \$1 (junior). It cannot be guaranteed that a map for your preferred course will be available. Payment at the event is by card only.
- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free.
- Complete newcomers may enter on the day at a local event (first event free)

Information for Newcomers

Newcomers are welcome at all events. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

If this is your first orienteering event entry will be free of charge (including loan of SI-stick) & you do not need to pre-enter. When you arrive come to the registration desk and let the organisers know you are new. An experienced member will help you through the registration, start and event procedure.

Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- **WinSplits** shows everyone's times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Split times](#) at the top of your category results list.
- **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.
