

NSW JUNIOR SQUAD

(We need a logo - can you design one? See below)

JUNIOR TRAINING CAMP

When: Friday 2nd (morning start) to Sunday 4th July

Where: Bjorn's property near Seaham, 30 min north of Newcastle

Who: NSW Juniors who run Moderate or Hard Navigation

What: A camp dedicated to improving navigation skills and having a wonderful social time together.

Bjorn and Sam Mella warmly invite Junior Orienteers to stay at their property near Seaham, north of Newcastle and Raymond Terrace. There are a range of accommodation options including on-site caravans (1 large, 2 small), plenty of space for tents, and some inside floorspace too. Everybody will be expected to pitch in to make the camp a success.

Some adult volunteers will be needed to help with transport, though it will be possible for many of the juniors to attend the camp without their parents. Activities on offer will include: orienteering training in nearby forests, campfire, cooking roster, board games, table tennis and more...(more in nature, less online).

Entries are now open on Eventor. Adults planning to attend will need to enter as well. Cost will be low to cover food and any extras.

Driving instructions, medical forms, list of essentials, etc will be provided to all entrants. Direct questions to Helen on 0478226601 or woolfordfamilyhome@gmail.com

Meanwhile, we are looking for a new NSW Junior Squad Logo. The "Junior Squad" includes all juniors, as opposed to the "Schools Team" - the Carbines - who are those selected for the Aust Schools Champs.

The logo should include the text "NSW Junior Squad" as well as some sort of graphic logo, that may relate to orienteering in some way. The colour scheme should include some blue (for NSW) but should be quite distinct from, and not confused with, the Carbines uniform.

Entries to woolfordfamilyhome@gmail.com by Mon 17th May - start designing NOW!!
