

## Event information – WA Classic 2021

The WA Classic is an annual 2-day event for which awards are made for first male and first female on each course, based on cumulative time over the two-day results.

While either day can be entered as a standalone single day event, only those people who enter both days and run the same course each day will be eligible for the WA Classic overall awards.

### General Information

**Location:** Kenine Hill

**Dates:** Sunday June 6th and Monday June 7th

**Event Organiser:** Robyn Phillips ([sworientering@gmail.com](mailto:sworientering@gmail.com))

**Entry:** Pre-entry is **preferred** via Eventor. This allows organisers to have a clearer idea of map numbers and also means members don't have to register each day. Eventor will be open until midnight Thursday 3<sup>rd</sup> June for pre-entry. A limited number of maps will be available for entry on the day (EOD)

**Payment:** via Eventor at the time of entry. EOD - payments at the caravan (cash please – no eftpos).

**Parking:** When entering the paddock parking will be along the fence and camping is expected to be in the saddle area (see mud map).

**Camping:** is available on the map on Saturday and Sunday night. Camping area is beyond the parking area to the southeast (see mud map). If not camping, limited accommodation is available in the area.

**Toilets:** Pit toilets will be available near the camping and registration area.

### Event Details

**Registration Caravan:** will be located in the northeast corner of the paddock. Distance from the parking to caravan is approx. 150mts.

**Start Procedure:** starts on each day are a short distance from the caravan. There are no start lists. A group of mixed courses will start at 2 minute intervals. Signposts and cones will be provided for pathway to start areas.

### Course Information

**Courses available:** VE, E, M, H1- 5 are available for male and female classes on each day.

Course	Day 1 – Middle Distance		Day 2 – Long Distance	
	Distance	Approx. Climb	Distance	Approx. Climb
