## 4<sup>th</sup> Launceston Winter Sprint Extravaganza

### FINAL EVENT INFORMATION

## COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- From May 1 everyone (participants, organisers and spectators) must use the **Check in TAS** app. (Please download the app before arriving at the event)
- At the event scan the QR code which will be prominently displayed
- If there is no mobile coverage or you do not have a smart phone you must fill out the paper form
- There will be no entry or payment on the day.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.

**If you have COVID-19 symptoms or have been in recent contact with a COVID-19 case please stay home.**

**1. Location:**

**8. What Are The Courses?**

Each event (except event 4) will have 3 courses (long, medium and short), each with a male and female class. See spreadsheet for course lengths. Event 4 (Tasmanian sprint champs) will have 8 courses with the usual age classes (see table below). All courses are "sprint length" (1 – 3 km) but with distances measured along the "red line" rather than along the optimal route. Some extra information about the format of each event will be given in a briefing prior to each event.

#### 9. Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events.

**Event 6 will not use Sport Ident timing but will be a MapRun. See the end of this document for instructions.**

#### 10. Contact Information

Paul Pacqué on [paulpacque@internode.on.net](mailto:paulpacque@internode.on.net) or 0431 663 379 or 6331 8435.

#### 11. Who are the Course Planners and Course Controllers?

Paul Pacqué

#### 12. Which Map Is Being Used?

See spreadsheet. All maps will be pre-marked (but bring your own plastic bag – A4 size).

#### 13. What Else Do I Need To Know?

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering.

#### 15. Any Food?

There will be no fancy catering at any of the events as Launceston has a plethora of good coffee shops, delis and restaurants. Competitors are especially encouraged to try out the bakery, coffee shop and Alpenrose bistro at the Tamar Valley Resort at Grindelwald on Sunday. There will however be pumpkin soup with a roll on the Sunday night at Lake Louise for \$5. Please bring your own cup. Soft drinks (\$2) and water (\$1) will be available at every event. Not food but also fundraising - the buffs \$15 and headbands \$12.50 will be available for purchase across the weekend. All will be cash on the day.

#### 16. General information

- This is supposed to be a low key **barebones** week-end with the emphasis on fun. Feel free to help out at any time (e.g. picking up controls, setting up, packing up, etc....), be prepared to be flexible and please don't shoot the organizer (i.e. Paul).
- There will be no drinks provided at any of the races (either on the courses or at the assembly area).
- At all races, controls may be close together, even on similar features. Competition rule 19.4 DOES NOT apply during this weekend! Check your control codes!
- Toilets: see spreadsheet for availability.
- All information in this bulletin is subject to change.
- Times in the spreadsheet are subject to minor changes depending on possible logistical difficulties involved in moving venues.

## Information relating to event 6.

### What is MapRun

- MapRun is orienteering using a Smart Phone for punching and timing, avoiding the need to put flags and timing units out on the course. Instant feedback is provided with GPS tracks, personal result and leader board screens.

### What do you have to do?

- **Before you come to the event:**
  - Install the free MapRun 6 App (Apple App Store or Android Play Store) on your smart phone or Garmin watch
  - Start the app and “register” by entering your details as requested.
  - Make sure your phone’s battery is fully charged.
  - Work out how you’re going to carry your phone on the run.
- **At the event:**
  - Open the MapRun app.
  - Press “Select event” and scroll down to the “Tasmania” folder.
  - Select the “Windmill Hill” file.
  - Press “Goto start” and the map with course will appear on your screen.
  - Start your phone’s GPS, and make your way to the start.
  - Using a printed version of the map (**they will be available at the event**), visit as many checkpoints as you can in the time allowed (this is a 60 minute Score Event).
  - Start at the triangle (S) on the map and finish at the double circle (F).
  - There are no flags at control sites. As you reach a control (you have to be within ~5m) the phone will beep and buzz and add to your score.
- Your points score is calculated as follows: for each control, round down its number to a multiple of 10 (e.g. control 27 gets 20 points).
- Make sure to come back to the Finish before the 60 mins is up or you will be penalised 30 points per minute (or part thereof).
- At the end of your run press “Upload Results” to be in the result list. This will allow you;
  - To compare your time with others or your own result from previous attempts.
  - Replay where you and others went (on the website <http://maprunners.weebly.com/results.html>)
- Warning: You participate at your own risk and are responsible for your safety. Take care crossing roads, use pedestrian crossings and lights if available. Children aged under 13 must be accompanied
