COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- From May 1 everyone (participants, organisers and spectators) must use the **Check in TAS** app. (Please download the app before arriving at the event)
- At the event scan the QR code which will be prominently displayed
- If there is no mobile coverage or you do not have a smart phone you must fill out the paper form
- It is greatly preferred that you enter using the online entry system [Eventor](#) several days prior to the event.
- There will be limited entry or payment on the day.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.

If you have COVID-19 symptoms or have been in recent contact with a COVID-19 case please stay home.

About This Event

This event was originally due to be held on 20 June 2021 but was postponed following heavy rain in the area and consequential flooding of creeks making them uncrossable. It was postponed again due to forecast rain. Please note that it is now being held on a Saturday – to fit in with the awards night function that evening. This is OST 5 using the eastern section of the Mosquito Plains map. There are 8 courses of which courses 6 and 7 are moderate navigation and course 8 easy navigation. Terrain is hilly, and occasionally steep, but generally open though rocky in many parts. There are five marked and taped, but not compulsory, creek crossings. You may get wet feet if there has been recent rain.

Where is the Start?

To get to the event take the Colebrook Road from either the north or south and about 4 km north of Campania (15 km S of Colebrook) turn east along Brown Mountain Road. Drive along this road for about 5 km until you see the assembly area on the right hand side of the road.

When Can I Start?

You can start anytime between 10.00 am and 12 midday. Starting as early as possible gives you more time to complete the course. Please note that for courses 1 to 6 there is a 1 km walk to the start so allow an extra 20 minutes for that. Courses 7 and 8 start at the assembly area.

When do I Have to Finish?

You need to finish before the course is closed at 2.00 pm. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Mosquito Plains

Scale: 1:10,000 (1: 7,500 for courses 7 and 8)

Contour Interval: 5 m

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. Due to COVID-19 we are no longer offering SI-stick hire.

P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls.

You can buy a P-card for \$20 when you enter online. When entering an event by Eventor choose 'Purchase of P card' from the drop-down menu in 'Available Services' and click the green Add button to make the purchase. For your first event we will lend you an SI-stick for free.

If you would like to buy an SI-stick (from \$60), some clubs may have them for sale (ask at an event) or see aussieogear.com

How do I Enter?

Enter online by midnight on 20 October 2021. Late entry is not available.

Enter using [Eventor](#) – the online orienteering entry system.

- If you need help to enter, follow the [How to Enter guide](#).
- There will be no entry or payment on the day.
- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free.
- Complete newcomers may enter on the day at a local event (first event free)

Information for Newcomers

Newcomers are welcome at all events. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

Enter course 6 or 7 for a moderate navigation course or course 8 for easy navigation.

Your first orienteering event will be free of charge (including loan of SI-stick) and you do not need to pre-enter. When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

How Much Does it Cost to Enter?

Late entry is via Eventor only and will incur an extra charge of \$5 per adult. EOD is not available.

Where can I find results?

Results from an event are presented in four different places in slightly different ways.

- **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- **Eventor** shows the official results for each course or class and will be available the evening after the event. For OST events the age-and-gender-adjusted times will be published a day or two after each event, as a document in the Eventor page for that event. Go to [Results/Recent Results](#) and click on results for that event.
- **WinSplits** shows the time people have taken for each leg and will be available as soon as the results are available in Eventor. Go to [Results/Recent Results](#) and click on "Split Times" at the top of each class/course.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.

Any Food, Entertainment, Coaching or Other Special Attractions?

BBQ is available for pre ordered food – see Services section of Eventor entry page.
