

## Queensland Schools Orienteering Championships

Moreton Bay region, 24-25 July, 2021

Entries are now open for the Queensland Schools Orienteering Championships, so head to [Eventor](#) to enter now!

Schools Champs is **3 races**, so 3 chances to shine. There's a **sprint**, a **hagaby** (one-person relay), and a **long-distance** course, all on maps just north of Brisbane.

Open to **all school students** who can **complete a course independently**.

Age classes: (age at 31 December 2021)	Navigation level:
11 years and under	Very Easy
13 years and under	Easy
15 years and under	Moderate
19 years and under	Hard (+ Moderate option in the Long Distance)

Public races: There will be courses for parents and friends as well, ranging from very easy to very challenging!

Details: <https://eventor.orienteering.asn.au/Events/Show/10408>

## Queensland Schools Team

The Junior and Senior Championship courses are also selection races for the **Queensland Schools Orienteering Team**, which will be announced in the week following the events. Full details of competition procedures and the selection policy can be downloaded from the [event page](#). The Team will compete in Tasmania in the [2021 Australian Schools Championships](#).

## Entry fees 2021 – school students

\$10 sprint

\$10 hagaby

\$16 individual long distance

**\$36 Total**

Online registration is now open.

## Be part of the team: Join the Challenge

As well as the individual competition and the official School Sport regions, we have an informal

**Region of Origin** challenge. This year, we'll have 3 regions:

- **City** (Brisbane, Gold Coast, Sunshine Coast)
- **Mountains** (Darling Downs)
- **Plains** (South-West)

*Everyone* who completes their course without mispunching earns points for their team. With big contingents from each area, it should be a close thing!

QSO Championships 2019, Kholo
