## OWA JULY CAMP for Junior Orienteers 2021

### CAMP INFORMATION

We are returning to Camp Kerem, Bullsbrook, with activities on site and training on a bush map and attending the OWA event at John Forrest National Park. The camp will be held over two days and two nights at the start of the July School holidays. These will be led by a team of nine OWA coaches.

- We are looking for young people who enjoy orienteering, want to learn more about it and have a fun time with other young people.
- The camp will start at 10.30pm Saturday 3<sup>rd</sup> July, 2021 at Camp Kerem, Bullsbrook. Parents are to bring their child to this location. If this is not possible please indicate this on the registration form and we will try to find alternative transport.
- Activities will include participation in the OWA event John Forrest National Park, in Hovea, on morning of Sunday 4<sup>th</sup> July. The juniors will be transported to and from the event by bus. Parents are encouraged to join us at this event.
- The camp will finish at 10.00am, Monday 5<sup>th</sup> July at Camp Kerem. Parents are asked to pick up their children from this site. Again, if this is impossible please indicate this on the registration form.
- The camp is subsidised by OWA so will only cost \$100 per junior orienteer. This includes accommodation, meals and activities.
- The camp is open to anyone aged from 9 to 17 years who has participated in at least one bush event or Navdash event in addition to any school events and is a OWA full member. Younger juniors need to be able to complete an E Course without assistance. If you are a casual member and want to come you will be charged the cost of junior membership (\$40) in addition to camp fees, i.e. you will become a junior member of OWA.
