COURSE NOTES:

- All course maps are scale 1:10,000 with 5m contours
- The mapped area of John Forrest National Park covers a valley. The area is steep and the bush is extra bushy. The Setters have planned courses that allow competitors on VE, E, M and H4 courses to avoid a lot of climb and avoid the unfriendly bush by following tracks. The Setters have also avoided putting controls in areas where 'context mapping' makes it difficult to decipher features.
- If it rains and the terrain is wet be extra careful on rock surfaces and steep slopes.

Daisy hard at work setting courses.

BEST SELFIE COMPETITION:

The Setters invite all competitors to **take a selfie of themselves and the giant yoorina (bobtail)**. Post your selfie on Facebook #orienteeringWA before midnight on 4 July to be in the running to win a massive prize. Anna Napier, the President of OAWA, will judge the entries and select the winning selfie. The Setters will award the massive prize to the winner as soon as they can.
