

Family Team Event

One person from each course and may include Elite entrants.

Team members must be:

- entered in either the elite or public prologue
- as well as each member being entered in the Family Team Setup event.

On the day you each run at your pre allocated time for the prologue and your times are put together to get a family team result. Outright positions will be determined as well as handicapped results taking into account both age and gender.

For a team to be official one member of the team must be related to each of the other in one of the following categories: spouse or de facto spouse, parent, child, brother, sister, grandparent, grandchild. in laws (parent, brother, sister), adopted child, nephew, niece.
