Where can I find results?

Results from an event are presented in four different places in slightly different ways.

- **Live Results** Regularly updated live results will be available on the WWW (where mobile network is available). Provisional results after download accessed using the QR code or link below

	<p>https://tasorienteering.asn.au/results/ctnwb/</p> <p>Select the class for which you want to see provisional results. You can choose how much detail (splits etc) you wish to see. This will show results for all finishers to date.</p> <p>Instead of selecting a class you can create up to two customised searches (filters) based on name or club. To refresh these search results ensure you re-click “Find” rather than refreshing the page in your browser. Refreshing your browser will clear the search filters.</p>
---	---

- **Eventor** shows the official results for each course or class and will be available the evening after the event. For OST events the age-and-gender-adjusted times will be published a day or two after each event, as a document in the Eventor page for that event. Go to [Results/Recent Results](#) and click on results for that event.
- **WinSplits** shows the time people have taken for each leg and will be available as soon as the results are available in Eventor. Go to [Results/Recent Results](#) and click on “Split Times” at the top of each class/course.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

The roads around Bicheno will NOT be closed for this event. There will be marshals on the course to manage traffic, but please take care when you are competing and need to cross any roads.

Any Food, Entertainment, Coaching or Other Special Attractions?

Bicheno is a lovely small seaside town on the East Coast of Tasmania, well used to having large numbers of visitors coming through. There are multiple cafes and coffee spots to visit for food, and the best and freshest cooked fish down at The Gulch so save up your hunger and support this local community. There will be plenty of time for sight-seeing in the afternoon, so make sure you check out the Blowhole, and the lookouts at Whalers, and Lookout Rock!

A Coffee Van will be available on-site to provide hot drinks and a small selection of food and snacks.
