

Course Setter's Notes, ACT Sprint Series #4, Gossan Hill

Format

The course is 2.8km long with 80m climb and 29 controls. There are A and B maps for head-to-head racing. There are 3 map changes (4 maps in total).

Scale

Maps 1, 2 & 4 are **1:5,000** with 2.5m contours.

Map 3 is **1:300** with 2.5m contours.

Maze Section

There is a multi-looped maze section on the course (Map 3) with many controls in a very small and detailed area of the map.

Read your map carefully and check the control numbers.

Trip Hazard

Take care between controls 1 and 2, there is old fence wire on the ground, just after the track. It is not marked on the map.

Special Symbols

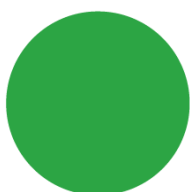

Familiarise yourself with the following special map symbols:

Hut (there is one near the start).

Large Eucalyptus Tree

Native Cherry Tree (pictured right)
