

Sun 20 March - McAdams between Warwick and Stanthorpe

Terrain: Undulating semi-open and forested grazing land with areas of scattered granite. Swamps and creeks. Some areas of lantana.

Map: McAdams, 2022; 1:10,000; 5m contour interval

Courses: Hard 1 – 5.3km; Hard 2 – 4.9km; Hard 3 – 3.7km; Hard 4 – 3.2km; Hard 5 – 2.9km; Moderate 1 – 3.2km; Moderate 2 – 2.5km; Easy – 2.8km; Very Easy – 2.2km

Terrain Notes: Because of the recent rain, the grass is long and the creeks and gullies are wet so kilometre rates are expected to be longer than originally anticipated. The lantana has also increased on the higher slopes so courses have been modified to try and avoid the worst areas. Competitors on the Hard 1 and 2 courses are advised to wear long pants and tops.

Entries: Enter online via Eventor by **Wednesday 16 March** to ensure enough maps are available. Only a limited number of spare maps will be available.

Cost:	<u>Members</u>	<u>Non-members</u>

	Juniors \$ 8	Juniors \$ 12
	Families \$32	Families \$ 48

Starts: 9 -11am **Courses close:** 1pm **Facilities:** Bush toilet

Directions: From Warwick, travel approx. 37km south on the New England Highway and turn off at Dalveen. Go past the shop and take the first turn on the left and then left into the old Stanthorpe/Warwick Road. Follow for 12.5km and turn left into paddock at the top of the hill and park as directed. Alternatively, from Warwick take the old Stanthorpe Road from the roundabout near the saleyards and travel for approx. 25km before turning right into the cleared paddock on the right at the top of a hill. Park as directed. Allow a little extra time after the roundabout - there is flood reconstruction roadwork near Blake's Road and the last 2km is gravel and potholed courtesy of the recent rain.

From Stanthorpe, take the New England Highway 20km north and turn left towards Dalveen village under the Highway. Turn right at Jim Mitchell Park and immediately left into the Old Warwick/Stanthorpe Road and travel for 12.5km to the assembly area on the left at the top of a hill.

There will be a 600m walk downhill to the start and a remote finish about 700m from the assembly area.
