

Mini Cyclones Orienteering Camp 2022

(Saturday 30/4/22 – Monday 2/5/22)

Proposed Program as of 1/2/22

Three things have affected the planning of the 2022 Mini's Camp:

1. Many Qld orienteers, who usually assist with Mini's, including juniors, will be involved with Easter races just prior to the camp and may not be present.
2. Fun will be a priority but over 16's still need to be vaccinated.
3. Philip and I will be travelling from mid-March until after Easter with another grand baby due in Sydney around then, number 5 😊.
