VE	2.8km	65m	Very Easy

COURSE NOTES:

- All courses the scale is 1:10,000 with 5m contours. The hard courses are largely 'middle-distance' style, with a mixture of long route-choice legs and many short legs in the detail.
- Parking is a bit limited - please use your imagination, and carpool if at all possible. There is a couple of side tracks off the loop road that can accommodate additional cars.
- Vegetation is largely as-mapped, despite the age of the map. Some of the white is a bit thicker in places, the greens are reasonably accurate.
- Start is 450m from the assembly area.
- The H2 course will have a map-flip, printed on both sides of the same sheet.
- H1 course: for those who are interested in a longer run, the H1 starts the same as the H2 (6.5km, 17 controls). At the final control there will be a map exchange where you can take the third map to do the H1, or if you've had enough you can head to the finish and get a finish time for the H2.
