

Hi all!

Monday 27.6.22

Junior camp is only 10 days away and you will all be on holidays now. We are keeping our fingers crossed that we get good weather everyday during camp!

A couple of you have not filled in the registration forms and the meal selection. I do need them, especially the meal selection as they want numbers from me today. So please forward that information as soon as you can.

I have also uploaded a few files onto the event page on Eventor. There is the camp programme, equipment list/things to bring, and also directions to venues/events for the drivers.

We will be starting camp at 1030 at Warwick West State School and you will be loading your belongings to the allocated car for camp. Then sprint training will commence. If there are any parents and/or kids that want to join us for some of the sprint training for that day, just send me an email and I will print some extra maps. I am going to suggest that if you are able, to carpool to Warwick. Anyone without transport to Warwick, please let me know and we will try and slot you into a car with others.

For camp champs on Sunday, you will need to pre enter yourself into the following categories.

Senior boys - H2 - 5.9k

Senior girls - H3 - 4.7k

Junior boys - M1 - 3.5k

Junior girls - M2 - 2.6k

Temperatures in Stanthorpe are min 0-5 degrees to max of 15 degrees. So rug up!

As it was last year, the boys will be occupying the Lodge, a 27 bed dormitory with shared facilities, where we will be having our breakfasts each morning and packing our lunches/snacks for the day. The girls will be accommodated in separate Snugs that will have their own attached facilities.

Night activities will be at the Uniting hall we gathered at last year, very close to the RSL, where we will be having dinner each night.

The first bush training day will be at Lode creek and I understand that we will likely get our feet wet due to the amount of rain we have had. So definitely bring along a spare pair of shoes!

Any questions, do send them along to me and I will endeavour to answer them!
My mobile number is 0431070731 and Neil's is 0413119324

Otherwise, we look forward to having another fun camp together, learning lots more about orienteering!

Su Yan
