

Australian Three Days Orienteering

Start List

Please note the following

1. No times are listed for W/M10 Novice. Parents may start with their children in this class any time after the last start on Courses 20 and 21 (generally ~ 75 mins after the first start time)
2. Start times listed for M and W20 E, and M and W21E, for Monday represent the first start on each class. Actual start times will be published Sunday night based on the results of the previous 3 days in these classes. Competitors who do not have a total for the preceding 3 days will start at the beginning of the field.
3. Some carnival helpers may start at an earlier time than listed before the main start draw commences.
