

How do I register on Eventor and enter?

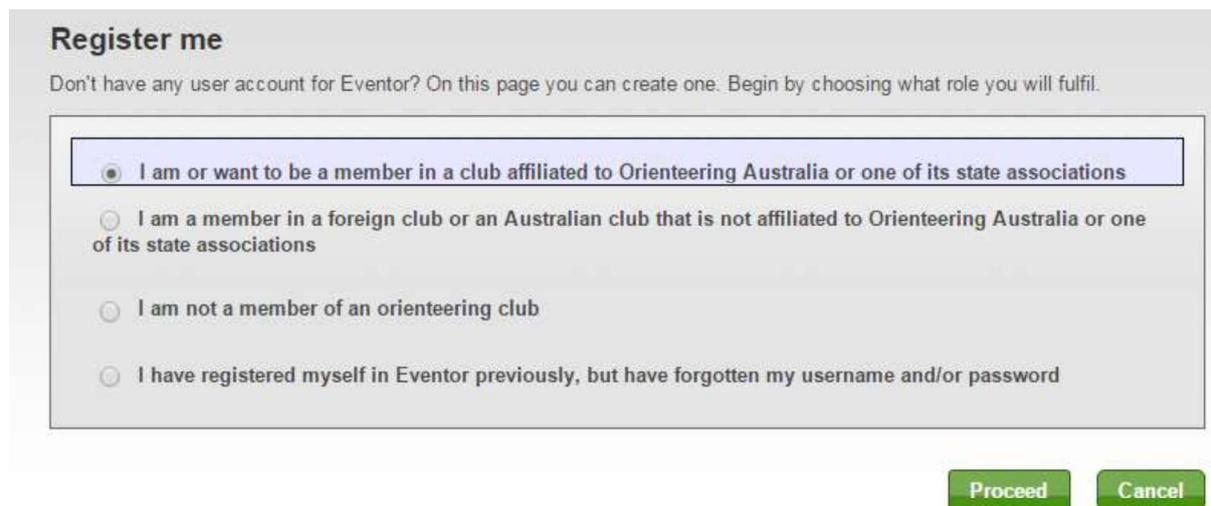

All contestants who are non-members are asked to Register as a user on Eventor (if they're not already) before entering the event. You'll only have to do this the once.

To register use the following instructions or view the YouTube video – [Registering in Eventor](#)

1. Go to the [Eventor](#) web site and select “**create a user account**”

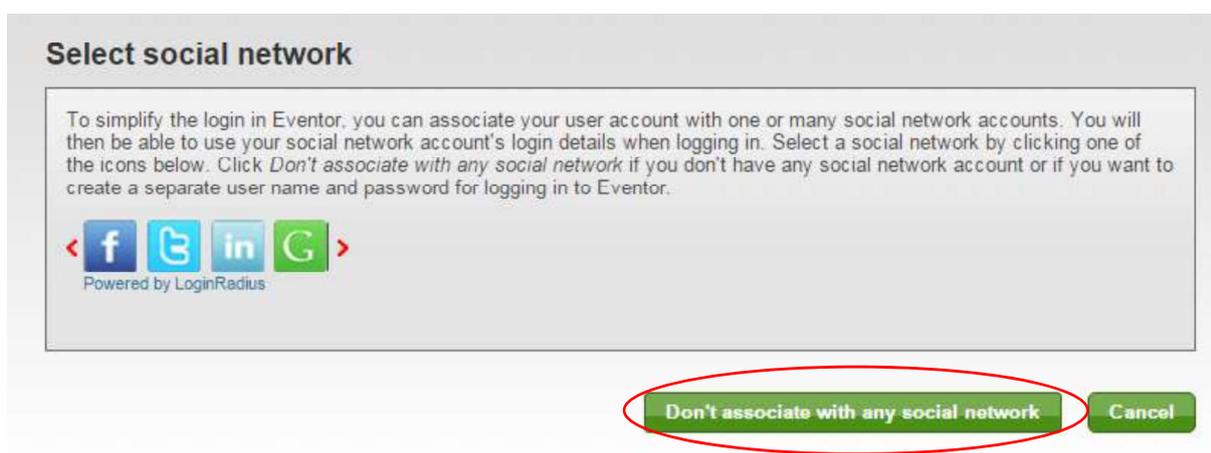

2. Select the first or the third of the 4 options listed and then click the **Proceed** button...

The image shows the "Register me" form. The title is "Register me" and the subtitle is "Don't have any user account for Eventor? On this page you can create one. Begin by choosing what role you will fulfil." Below the subtitle are four radio button options:

- I am or want to be a member in a club affiliated to Orienteering Australia or one of its state associations
- I am a member in a foreign club or an Australian club that is not affiliated to Orienteering Australia or one of its state associations
- I am not a member of an orienteering club
- I have registered myself in Eventor previously, but have forgotten my username and/or password

At the bottom right of the form are two buttons: "Proceed" and "Cancel".

3. A window will come up asking if you want to use 'social networks' like Facebook, Twitter, etc., to log into Eventor. Ignore this for the moment and click on “**Don't associate with any social network**” to proceed.

The image shows the "Select social network" form. The title is "Select social network" and the subtitle is "To simplify the login in Eventor, you can associate your user account with one or many social network accounts. You will then be able to use your social network account's login details when logging in. Select a social network by clicking one of the icons below. Click *Don't associate with any social network* if you don't have any social network account or if you want to create a separate user name and password for logging in to Eventor." Below the subtitle are four social network icons: Facebook, Twitter, LinkedIn, and Google+. At the bottom of the form are two buttons: "Don't associate with any social network" and "Cancel". The "Don't associate with any social network" button is circled in red.

4. Complete the registration details page, as shown in the example below. Items with a red asterisk “ * ” next to it are mandatory. A blue **i** circle provides additional information if you hover over it.

Information and partners

I would like to receive information about orienteering from Orienteering Australia.

I would like to receive any offers from Orienteering Australia and its co-partners.

Storage of personal details

The personal details that you provide here will be saved in Eventor's database, that is administered by Orienteering Australia. Your name and club affiliation will be shown publically on the Internet in startlists and result lists for any competitions you participate in. The date of birth and your neighbourhood of residence are visible when searching for duplicates. Other personal details are only available for yourself, your club's administrator and Eventor's system administrator, as long as you do not express your consent to the details being available publicly.

I understand and accept the above conditions
