METRO SERIES EVENT 2 – ELLENBROOK NOTES

Mapping Notes

A moderate amount of small map changes have been implemented since the last time Ellenbrook was updated in 2012 by Paul Dowling. While the fine details may not be mapped accurately & are mapped accordingly to current ISSOM standards, no map changes or outdated mapping symbols affect any route choices at all.

Lots of fences & out of bounds areas at the Northwestern end of the map due to the new Ellenbrook train station & Ellenbrook Youth Centre being under construction, as well as entering Ellenbrook Central, St Helena's Primary School & Ellenbrook Christian College being strictly out of bounds.

Course Notes

The Predicted shortest routes for each course & winning times are as follows:

Short – 2.9 km; Approx 10-15 minutes

Medium – 5.3 km; Approx 20-25 minutes

Long – 7.9 km; Approx 35-40 minutes

Some Short & Medium course routes, and all Long course Routes require you to cross Pinaster Parade, which is notorious for street racing & general car hooning so please take extreme caution when crossing Pinaster Parade!!! Registrations to the event online close at 4 pm, and Entry on the Day closes at 4:40 pm.

Beginners Briefing is at 4:45 pm, General briefing begins at 4:50 pm, maps are handed out at 4:55 pm, Mass Start being at 5 pm as usual. Presentations are at 6 pm and Courses close at 6:15 pm.

Arena & Facilities

Start Area is a small park sandwiched in-between the Basketball Courts on Fortescue Place, Ellenbrook & St Helena's Primary School, and the Woodlake Park Amphitheatre. Toilets are available at Woodlake Village Community Centre. The Arena will be quite small, so take caution when running out of the arena at the mass start!

Parking & Driving Details

Parking is limited on Fortescue Place, however, there is lots more parking available surrounding Woodlake Village Shopping Centre & Plus Fitness 24/7 Ellenbrook. There is lots of roadworks due to the Ellenbrook trainline being under construction, so expect traffic delays.
