

LANEWAY LABYRINTH

North Perth

26th November

Saturday, 4:00PM - 6:15PM

ABOUT THE AREA: The North Perth map comprises an older, inner-city urban area bounded by Walcott St to the North, Charles St to the West, Vincent St in the South and Fitzgerald St on the East side. There are several small parks, two primary schools, shops, restaurants and small industrial premises. A major feature of the area is the large number of rear laneways, over 70 of them providing some route choice puzzles.

ASSEMBLY AREA: Kyilla Park has three playgrounds, space for casual ball sports, gardens and a toilet block. Kyilla Primary School is immediately North of the Park, some gates into the school will be open, but parts of the school will be marked as Out of Bounds due to construction.

Kyilla Park can be accessed from either Charles St or Walcott St via Clieveden St. Parking is available on the Park verge in both Clieveden St and Union St, and there is street parking next to the school on Selkirk St, Lawler St and Bedford St.

MAP NOTES: Laneways are shown with a solid Black line, about the same width as a normal, minor road;

Gardens are shown with a very Dark Green and are **OUT OF BOUNDS!**

Private land, including residential and shop/business premises is shown with Green hatching;

Other **OUT OF BOUNDS** areas are shown with Purple hatching. These include parts of the schools, sporting clubs and a monastery;

Access to some areas, including parks and schools is through a gate; these may be closed, but not locked. They are shown on the map with a gap in the fence;

A map legend is available under Documents and Links in Eventor.
