

Event prices have risen for 2015, but by becoming a Club Member, you can save \$25 every time you enter.

Check-out the membership types and rates on the Orienteering QLD site at <https://oq.asn.au/join>

Hint: The 'Introductory' rate is for first time members.

The Multi Terrain Bike Orienteers club offers free mapboard hire to their club members at their events, use of the club tools kit at events and a warm inner glow from belonging to a great club ;-)
