### COURSE NOTES:

- The course lengths are approximate running distances.
- Map scale 1:3000 with 2m contours. Remapped by Peter Komysan in 2020.
- On the W side of the map there are numerous gates. Because some of the gates are narrow and difficult to see on the run, open gates have been marked with the 'optional crossing point symbol'.

- For legibility and consistency some items have not been mapped. These include rubbish bins, boom gates and chain fences, around lawns, which are easily crossed.
- Please observe the Out of Bounds areas. Gardens are not to be crossed, regardless of the width.
- Check the control codes carefully. In some areas there are a lot of controls.
- Please watch for other competitors when rounding corners.
