

wod

World Orienteering Day

17th to 23rd of May 2023

World Maze Race

Sunday 21 May

9am - 1pm

Patrick White Lawns

2021 World MAZE Race Winner Kas Gregory

An orienteer originally from Armidale in NSW, Kas has been part of the ACT orienteering community for the past year when he came to Canberra to take up a post doctorate position at ANU.

Kas was involved in school representative orienteering and went on to represent Australia at JWOC in 2012 in Slovakia.

Kas was awarded a doctorate in Quantum Chemistry in 2022 and like many athletes, Kas had to put his sport to the side to focus on studies.

But Kas really enjoys the challenge of the chase. This was evidenced in his keenness to fly in the inaugural 2021 WorldMAZERace, where Kas competed against some of the best around the world.

Come and race the 2021 World Champion!

Never had ago at a World Maze Race? - This is your chance!

COME AND HAVE A GO!

FREE - FUN - FAST

All welcome. Bring a friend, show them how much fun orienteering can be!
