

HUNTER VALLEY CHAMPIONSHIPS 2023

The **2023 Hunter Valley Championships** will be held in conjunction with **NOY8** on **24 September 2023**.

Available Championships classes are listed in the *Age/Course/Class matrix* below.

To be official in the Championships results you must enter a class that is an option in the row for your age group (this is the age you are turning in 2023).

The class indicated by **bold** formatting is the recommended class for your age group should you be running an "A" class.

Open classes can be entered by any age group.

AS classes are "Short" classes.

AX are "Extra short" classes.

You can enter any course regardless of your age but you will be "Unofficial" in the Championships results if the course is not an option for your age group.

All results for each course will also be counted in the **2023 Newcastle Orienteer of the Year pointscore**.

MEN - Hunter Valley Championships - Age / Course / Class matrix

Age turn 2023	Very Easy	Easy	Mod Short	Mod Long	Hard Short	Hard Med	Hard Long
12 or under	M12A	M14A	M18B	MOpenB	M18A, M19AX	M19AS	OpenA
