Parking:

Parking is on Stephen St. The assembly area is on the oval at the Stephen St entrance to Concordia College. To avoid disqualification, please do not enter the school via any other entrance.

Starts: From 2:00pm (Allocated 1 min intervals). Start list will be published on Eventor after entries close. Late starters will be re-allocated to the end of the start list. The Start is adjacent to the Assembly/Finish area.

Courses close: 3:30pm

Presentations: approximately 3pm

Facilities: There will be toilets available at the school AFTER you have competed, as they are in the middle of the school. If you are coming from Brisbane, there are toilets at the Information Centre along James St.

SI Air will be enabled. There will be a punch start, but an Air finish.

Easy & Very Easy courses only: There is a grid on your course. You will need to punch the grid controls by inserting your stick into the SI unit. SI Air will be switched on for the other controls.

Our sincere thanks to the principals of Concordia Lutheran College and Harristown State High School for granting us access to their schools for this event.
