

Club Relays 2023 Points Calculation

Relay Team Points

20 points – First Place

19 points – Second Place

Down to

1 point – 20th place and beyond

0 point – MP team (For a team to MP, either both the short and medium must MP or the long MP)

Note each club is allowed with one team of only two people comprised of a Long person plus only one Short or Medium person – this allows everyone to participate when numbers don't quite balance.

A team comprised of members from different clubs is official and has their points pro-rated.

Easy Runner Points

7 points – First Place

6 points – Second Place

Down to

1 point – 7th place and beyond

0 points – MP.

Very young competitors may be shadowed and score points.

Club Overall Point calculation to determine winning club.

Step 1 – Add total points scored above.

Step 2 – Divide by number of official members of club to obtain points scored per member.

Step 3 – Multiply by 100 and then multiply by % of club members in attendance.

Total members as of Oct 23.
