ACCOMMODATION

Accommodation around Campbelltown is an appropriate suggestion.

PRE AND POST EVENT RIDING

Area within the vicinity of the events are embargoed and are off limits to entrants prior to the events (see Section: [Embargoed Areas below](#)). For riding opportunities ahead of the events, we suggest Wild MTB Park or RNP <https://www.westernsydneyarklands.com.au/places-to-go/wylde/>

TECHNICAL INFORMATION

EVENT RULES

The [Australian MTBO Competition Rules](#) will apply to all events.

PUNCHING SYSTEM

We will be using the SPORTident Air system with contactless control punching and the latest control boxes (BS11) that have a range of 1.5 metres. All riders need to use an SI Air stick as these control units will only work with one. If you don't have your own SI Air stick (numbered in the range 8000000-8999999), you can hire one for \$5 for the carnival via the Eventor 'services' dropdown menu when you enter your first event online. Older SI sticks will not work. For more details on how the SI Air punching system operates go [here](#).
