Map

Broulee Dunes
Scale 1:5,000
Contour interval 2.5m
[Minor updates by Hugh Moore and Rob Walter 2024]

Terrain and Courses

The terrain is complex sand dune terrain with some small tracks and foot paths.
There is more undergrowth than last time the map was used; the courses are relatively short to allow for this.

Loose control descriptions will be available at the start.

SI air will be used on both days. Controls will be either hanging from trees or on stands. There are lots of controls close together, so check control codes carefully.

Course lengths	Day 1, Saturday	Day 2, Sunday
Very Easy	1.7km	2.3km
Easy	1.9km	2.3km
Moderate	2.0km	2.3km
Hard 1	4.6km	4.7km
Hard 2	3.7km	3.9km
Hard 3	2.6km	2.7km
Hard 4	1.8km	2.1km

Sensitive coastal dunes

The Broulee coast sand dunes are fragile and sensitive. Please tread carefully and respect this environment.

Clean shoes

You must have clean shoes before entering the competition area. You must remove any grass seeds or dirt from your shoes.

Catering

Lions Club Moruya: will be providing catering including sausage sandwiches, egg & bacon rolls and hot dogs at very reasonable prices.

Caffeissimo: coffee van for liquid refreshments as well as pies and sausage rolls.

Toilets

Toilets are available in the surf club building, adjacent to the assembly area.
