GENERAL INSTRUCTIONS

EXISTING MAP: Both events will take place on the map “Boskerville” previously used at Easter 2022. A link to the map can be found on the Eventor event page. We are using a common assembly area for both events. There will be no index printed on the maps.

MAP SCALE: Day 1 – Courses Hard 1, 2 & 3 and Day 2 – Courses Hard 1, 2, 3 & 4 will be 1:10,000. All other courses will be 1:7,500.

NO PETS: This property is a working cattle farm and therefore NO PETS are allowed on the property.

DIRECTIONS: From the Kingaroy Golf Course head west along Kingaroy Burrandowan Road. From the intersection of Kingaroy Burrandowan Road and Magees Road head west approximately 14.5km and turn north (right) into Wilsons Road. Proceed along Wilsons Road approximate 2.5km and turn east (right) into the property. Please KEEP THE GATE SHUT.

Travel along the track about 1km to the assembly area. Note this track is rough and may not be suitable for low clearance vehicles. The land owner has generously offered to grade this track but we are not aware how many of the bumps have been smoothed out.

If you have low clearance car, or pets, it is recommended you park your vehicle on the side of Wilsons Road and walk or hitch a ride down the track.

TOILET: There will be a pit (dug) toilet available near the assembly area.

WATER: There will be water on course for Sunday’s courses only.

INFORMAL DINNER: The large room has been booked for Saturday evening at Kingaroy RSL Club where we welcome everyone. It is likely we will overflow the room! It is recommended you get in and order your food early.

PUNCHING SYSTEM: SI Air+ will be activated on all controls.

MAP COLLECTION: There will be no maps collected. Competitors are reminded of the fair play rules. If you haven’t started, do not seek to look at a finished competitor’s map. If you have finished, do not show a competitor that hasn’t started.
