

## Sunday 7 July - McAdam's, between Warwick and Stanthorpe

**Terrain:** Undulating open forest and grazing land with areas of scattered granite. Thicker areas of vegetation on the steeper slopes, including lantana thickets.

**Map notes:** The areas of lantana on the steeper slopes have extended since the map was made a couple of years ago so do not rely on the vegetation boundaries here. Full body cover is recommended for those on the Hard 1 and 2 courses. There may be some additional minor tracks recently graded by the landowner.
