The screenshot shows a form for a member named Ron Pallas. At the top, there are fields for Name (Ron Pallas), Club (Uringa Orienteers), Class (Aqua), and Sportident (1421093). Below this, there are sections for 'Available services' and 'Ordered services'. Under 'Available services', '09. Women Size 20' is selected with an 'Add' button. Under 'Ordered services', two items are listed: '04. Women Size 10' with a quantity of 2 and '09. Women Size 20' with a quantity of 1. Each item has a 'Delete' button. At the bottom, a summary bar shows 'Ordered services: 2 | Sum: 0 AUD | Advanced | Delete'. Below the summary bar, there are three green links: 'Enter, cancel or change entry for another member', 'Enter, cancel or change entries for multiple members', and 'Switch to organisation entry mode'.

Multi Order - different colours

This is a bit clunky – sorry

Set up the first order - in this case Ron Pallas

Then go to where it says enter, cancel or change entry for another member-

This is a close-up of the three green links mentioned in the previous screenshot: 'Enter, cancel or change entry for another member', 'Enter, cancel or change entries for multiple members', and 'Switch to organisation entry mode'.

Click on "Enter, cancel or change entry for another competitor"

A drop-down menu appears- in this case Uringa orienteers (that is Ron Pallas's club) Your club should appear

The screenshot shows a 'Select person' dialog box. It has two input fields: 'Organisation' with 'Uringa Orienteers' selected and 'Person' with '[select]' in it. There are information icons (i) next to both fields and an 'OK' button at the bottom right. The background shows a blurred view of the main form.

From your club select perhaps a family member or a friend and click OK-

In the example below I added Gayle Shepherd, and then selected a different colour / size
