Dear entrant,

We have had a couple of enquiries about travel directions to the weekend events. I had thought better of Orienteers or assumed that everyone would just download the Google Maps link posted on Eventor and pasted again blow

Middle Distance Driving Instructions

Access is via the Beerburrum - Donnybrook Road from the M1.

From Brisbane you take the turnoff to Steve Irwin Way and take the first turn right to pass under the M1 before turning left on Beerburrum - Donnybrook Road.

From the Sunshine Coast there is slip road sign posted to Beerburrum that brings you straight onto Beerburrum - Donnybrook Road, or you could drive down Steve Irwin way and turn left just after passing under the M1

Sprint Distance Driving Instructions - Here is the Google Instructions or just Google Coolum State High School in Havana Road East, Coolum. BTW despite what I wrote in the Final Bulletin, only Courses 1, 2 and 3 have a map flip.

Long Distance Driving Instructions

Access on Sunday morning is via Red Road which starts from the Steve Irwin way opposite the Beerburrum turnoff. Drive west until you pass over the M1 and look for the Admin tent and Coffee van.

Start Lists

Due to a skills shortage and the inadequate waking hours I can sustain with diminished sleep hours, I have given up on producing and issuing Start Lists in time for travellers. But we have a crack team organising queuing starts at 2 min Start Intervals on Middle and Long events and 1 min intervals at the Sprint.

I will see you all in the forest in the morning
