

MT LILYDALE SPRINT, SATURDAY 2 NOVEMBER 2024

Location: Mt Lilydale Mercy College, Anderson Street, Lilydale.

Enter via GATE 3; parking in the bus dropoff zone. Additional parking on the east side of Anderson Street. Please do not use the main entrance (Gate 1), even if open.

Course Planner: Pam King. Event organised by Dandenong Ranges Orienteering Club.

Mappers: Peter Dalwood, Wayne Love and Damian Spencer (2023-24)

Map Scale: 1:2000 (Outdoor); 1:500 (Indoor). Maps will be on sturdy but non waterproof A4 paper.

Courses: Long = 3.0 km; Medium = 2.5 km; Short = 2.0 km.

- All courses will have Outdoor and Indoor sections. Please do not wear spiked shoes.
- Race the *Final Furlong* – a handicapped gallop to the finish line, with prizes for winners on each course!

Registration: Check in from 1.30pm. Start any time from 2pm to 3pm. Courses close 4pm.

Online entry: Enter by Thursday 31 October online – [click here](#). All online entries will go into our random prize draw, to win free entry to the Melbourne City Race!

Entry on the day will be available at Registration, while maps last. Payment of \$12 (adults 21+), or \$6 (juniors 13-20) accepted by cash or card. Kids Run Free – no entry fee if under 13. Sportident sticks available for loan.

Facilities: Toilets are on site; follow taped route.

Sportident: All controls except the Start will be in SI Air mode for those with SIAC sticks.

Terrain: the school campus is on a steep slope; expect to use stairs up and down, and to encounter contours. The campus is small, tight, and complex with multi level buildings; levels have been mapped in accordance with the new standards for sprint maps. Due to the map scale, several symbols have been used from the IOF schools mapping symbol set.

The Indoor section is all on one level, but with several entrances and exits. It will be confusing! Please slow down and take care to avoid collisions with people and furniture.

Results: Splits prints provided. Official Results, and split times, will be published on Eventor and Winsplits immediately following the event.
