COURSE NOTES

- The scale for all course is 1:10,000. The contour interval is 5m. Legend, scale and control descriptions are provided on the map.
- The area features residential areas with many connecting pathways and some bushland along the lake. Any bushland areas marked purple are out of bounds.
- Some tracks in bushland areas may be unpaved and sandy. Tracks marked indistinct are minor sand tracks, generally good visibility but mapped this way to distinguish from wider tracks.
- There are many high cliffs in the area, including between property boundaries but also in the quarry park. Stay clear of high cliffs! These are typically inaccessible from the top.
- Courses use electronic punching, please remember to clear and check before starting.
- Please keep clear of any ongoing sporting events.
- Be careful when crossing roads.

ASSEMBLY AREA

- The assembly area is on the NE side of Emerald Park.
- Parking is available at the SE carpark or the NW one if the first one is full.

There will be a social picnic after the event at nearby Picnic Cove Park, by the lake (off Edgewater Drive). BYO everything – there is a barbecue available.

DO REMEMBER WATER, SUNSCREEN AND A HAT – IT CAN STILL BE HOT OUT ON THE COURSE AT THAT TIME.
