

***Qld MTBO State Series Event No 1  
Foot Orienteering  
Sunshine Orienteers AGM  
USC, Sippy Downs  
Sunday 9<sup>th</sup> March 2025***

## **Information Bulletin for Entrants**

Welcome to our dual orienteering event format which is a prelude to our Annual General Meeting for Sunshine Orienteers club members at the Sippy Downs campus of the University of Sunshine Coast.

Entries close on Eventor on Friday midday to allow maps to be printed. Late entry penalties apply after Thursday midnight so get your entries in.

Enter on the Day is ONLY available for New MTBO or Foot Orienteers and entry fees are payable with a card you can tap or cash. If you are a newcomer, please enter via the [Eventor website](#) or email your request for an entry on the day to [info@sunshineorienteers.com.au](mailto:info@sunshineorienteers.com.au) to ensure you get a map. A guide to creating a free registration for Eventor entry is attached to the Eventor website.

If you are a Sunshine Orienteers member attending the AGM please use the Services dropdown to register for lunch

Parking and Registration is in USC Car Park P3 opposite the USC Transit Centre Bus stops – see road directions below and the Google Maps driving instructions.

Registration opens from 08:00 am so please attend to collect hire gear or to update your SI number.

Starts for all classes will be from 08:30 - 10:00 am. The Start is adjacent to Car Park P4 – just minutes away from Registration.

All Courses close at 11:30 am with our AGM to follow.

The Start location for both MTB and Foot orienteers is in the same location, but the Finish locations are different for the two formats.

- The Foot-O Finish is in Car Park P4
- The MTBO Finish is in the University grounds, but more remote requiring a 600-metre cool down ride to Download at Registration along a route indicated by a dashed line on your map. Please follow the suggested route as it is part of our permit conditions.

## Road Directions

## Eventor Entry guide

When you create an Entry in Eventor the Class will default to an MTBO class that matches your Date of Birth. This will then place you on a matching MTBO course as in the table above. So, if you want to enter something different

use the Class drop down arrow to choose your preferred option from:

- A Short, Medium or Long MTBO course 3, 2 or 1 as tabled above.
- A 90-minute score event where you collect as many points as possible by visiting up to 18 controls in 90 minutes. You lose 30 points for every minute you are late returning – same as Night Navigation events.
- The MTBO E-bike class
- Either a Long or Short foot orienteering event as tabled above.

The Services drop down is also important as it allows you to do any or all of the following

- Hire an MTB Mapboard
- Hire an SI-Air registration stick – required to register controls on all courses
- Book your Subway lunch if you are Sunshine orienteers member planning to join our AGM

### Control Collection:

Many hands make light work. The organisers for this event would very much appreciate it if competitors could provide some assistance from 11:30 am collecting controls. If everyone assists by collecting the controls from within one small "region" of the map we will have them all in very quickly. **Please don't be shy in volunteering for this activity!**
