

## ***BLUEBOTTLES TRAINING CAMP INVITATION***

**Invitation:** You are warmly invited to attend our informal April Orienteering Training Camp to be held at Newbridge Recreation Reserve 18<sup>th</sup> – 27<sup>th</sup> April, 2025. These dates cover the Australian Easter 3 Days (18<sup>th</sup> – 21<sup>st</sup>) and the Victorian Championships (25<sup>th</sup> – 27<sup>th</sup>) and the days between, where some training sessions will be held. Coaching support will be provided across the entire period and social opportunities will abound. This camp is for juniors in Year 6 and above. Activities will include Moderate and Hard navigation.

All juniors wishing to attend must be accompanied by their own family for accommodation and transport. Accompanying family members are very welcome to come and participate in all camp coaching and training sessions. It is not necessary to camp at Newbridge, though that is likely to be a cheap option. It would be handy to be somewhat nearby.

**Accommodation and Food:** You will need to organise your own accommodation and food. Either with your own family, or find a family willing to be your guardian and look after you. You can attend any part of the camp, or the whole thing. Please let us know by registering on Eventor.

**Cost:** There will be no cost to attend the camp. Any camp expenses will be paid for by our fundraising. Camping at Newbridge Recreation Reserve is \$15/night and can be booked on Eventor at: <https://eventor.orienteering.asn.au/Events/Show/22154>
