EVENT NOTES Cont'd:

- Map scale for all courses is 1:4000 with 5m contours.
- The Hard Long course will have a map flip.
- The Hard Long and Short Long have some similar controls, but the legs are not the same. So, the runners doing both courses will not be repeating any legs in the same direction.
- The map has been updated by Nick Dale and the Armadale PS has been added.
- The terrain is steep, but the open areas are very fast running. A few small areas have scatterings of small rocks, so take care.
- Near the finish, just SE of the primary school, there is extensive planting along the creek line, so please do not trample any of these new plants.
- Beware that some bull ant nests have been seen on the map.
- Water is available at the primary school, but not on the courses.
- Toilets will be available at the primary school.
