

Course Planners, Organisers and Controllers

The OACT Technical team is planning a series of workshops which will cover topics required to accredit/re-accredit as Controller Level 1 or 2.

The workshops will also be useful for anyone with an interest in course planning, mapping and event organisation. You are welcome to join any of the relevant sessions.

The workshops are planned for Thursday evenings and will run from 7pm – 9pm. Proposed sessions are:

- Session 1 – October 16th
The role of the Controller.
Event planning and Organisation.
- Session 2 – October 23rd
Orienteering mapping and map production
- Session 3 – October 30th
Course Planning
- Session 4 – November 6th
Runing an Orienteering event – on the day and post event.
Fairness and Equity.

Further details including information on any pre-requisites and prior reading will be available on Eventor at the date of the Session.

You may choose to attend all or any of the sessions. There is no compulsion to become an accredited controller, however OACT would love to see more people officially accredited.

If you require further information, please contact Ann at scown@light.net.au or Cath at catheoin@ozemail.com.au
