

ENTRY INFORMATION

1. Location:

University of Tasmania, Sandy Bay Campus

2. Date:

Saturday, 7 May 2016

3. Event Category:

Southern Region

4. Event Series Information:

Southern Saturday Afternoon Series #3

5. About This Event:

This is the third of seven events in this series.

The event comprises a mixture of longer legs on the slopes above Churchill Avenue, combined with shorter sprint-type legs around the campus below Churchill Avenue.

While the navigation in this terrain is not overly difficult, most legs will have multiple route choices, so a lot of time can be gained by making good choices.

There are courses suitable for beginners, and the more experienced – there is something for everyone.

6. Where Is The Start Area?

The start area will be on the grassy area near the carpark of the University Union Building, just off Churchill Avenue.

Parking will be limited in this area, but there is plenty of parking available on the other side of Churchill Avenue (Dobson Road), and the start area can then be accessed via the underpass.

7. When Are Start Times?

Start any time between 2:30pm until 3:30pm.

Course closure will be at 4:30pm.

8. What Are The Courses?

There will be four courses available:

Long – 3.7km – 20 controls

Medium – 2.8km – 18 controls

Short – 1.9km – 13 controls

Novice – 1.2km – 12 controls

All competitors should utilise the underpass or overpass when crossing Churchill Avenue. The courses have been designed so that these are the obvious route choice.

All courses (with the exception of the Novice course) will cross College Road and French Street.

The Novice course does cross the internal roads within the lower University campus, so care should be taken if children are competing by themselves.

9. Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events.

10. How Much Does It Cost To Enter?

Event Fees	Adult	Adult	Youth or Concession	Youth or Concession	Family	Family
	Casual Member	Full Member	Casual Member	Full Member	Casual Member	Full Member
Local event	\$12	\$8	\$6	\$4	\$30	\$20

11. How Do I Enter?

Enter on the day.

12. Contact Information

For any information on events in this series, please contact Bert Elson on 6234 2991, or at bert52.elson@gmail.com

13. Information for Newcomers

Newcomers are most welcome at this event. Advice and assistance will be provided on the day.

No special clothing or equipment is necessary. You can run or walk and do a course suitable to your ability and experience.

At the event, just go to the registration trailer or table and ask for assistance. Helpers are rostered at every event to assist newcomers.

General information for newcomers is available on the website under [Get Involved](#)

14. Who are the Course Planners and Course Controllers?

Course Planner – Paul Enkelaar

15. Which Map Is Being Used?

Map – UTas Sandy Bay (produced by Mike Morffew in 2011)

Scale – 1:4000

Contour Intervals – 2.5m

16. What Else Do I Need To Know?

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering.
