## Map preview

A sneak preview of the bush map to whet your appetite:

## Getting there

The **Reedy Creek** map is part of **Minmore**, a Hereford beef producing property of 7000 hectares, 20 kilometres west of Kingaroy.

**Directions from Kingaroy:** Take the Bunya Highway South until you reach Tabinga Village. Turn right at the Golf Course into Kingaroy-Burrandowan Road. After 3.2km take the right fork before crossing the creek. Continue on for approx. 19km more through the localities of Inverlaw and Wattle Grove until you pass Manneum Rd on left.

Shortly after this intersection, turn right in to Wilson's Rd. Note that the first turn off into Wilson's Rd is disused. Continue for 2.4km then turn right into the property. Follow dirt road 1.3km to assembly area. Driving time from Kingaroy is approx. 30minutes. The dirt road into the property is rough but should be suitable for most conventional vehicles if driven with care.

Alternatively, if the best route for you is through Cooyar, pass through Maidenwell and Kumbia. In Kumbia, turn west onto Brook Rd, then right at the T junction into Manneum Rd. Follow through and turn right at T junction, then right into Wilson's Rd and follow direction above.

**Kingaroy State School** and **Kingaroy State High school** are along William Street, near the centre of town, north of the Showgrounds.

**Directions from Minmore:** Turn left into Wilson's Rd, then left into Kingaroy-Burrandowan Rd. After 23 km, turn left onto Bunya Hwy. At the roundabout, take the 2nd exit to continue on Bunya Hwy. After the Showgrounds, take the first left (Avoca St) then first right (William St). Turn left into Markwell St (until that fills up!). Allow 30 minutes from Minmore.

## Facilities and catering

**Regional competition**

Throughout the carnival, those completing their courses will earn points for their region.

Points are allocated as follows

Event	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	5 <sup>th</sup>	6 <sup>th</sup>	>7 <sup>t</sup>
Relay Event	15	12	9	6	3	3	3*
Sprint and standard Individual classes	5	4	3	2	1	1	1
Championship Individual event classes	10	8	6	4	2	2	2

\*In the event of a team DNF or an incomplete team, each competitor who finishes their relay course scores 1 point.

**Country Vs City Challenge**

As the Darling Downs region is so dominant, the regional competition is almost a foregone conclusion. So to spice things up, this year there will be a Country vs City Competition:

*The Red Shirts vs The Rest!*

**Country** – Darling Downs, Wide Bay and South West (*The Red Shirts*).

**City** – all students in Brisbane East, North and West, Sunshine Coast and Gold Coast (*The Rest*).

- The same points system will be used, with only 2 ‘regions’.
- The relay teams will reflect this challenge, rather than the standard regions.
- Combined relay teams will divide their points to each ‘region’.
