Further Information

Trophies for Primary and Secondary School winning teams. Points for participation. Come along and try orienteering in a secure environment while boosting your school's chances of winning! Minimum number of entries for a school team: 1.

There will also be public races for parents, friends and young children needing to be shadowed.

Enter online. If you have not set up a username and password for Eventor, please download the attached instructions.

SCHOOL STUDENTS: PLEASE fill in the attached SCHOOL INFORMATION FORM, where you will fill in your name and the school you attend so that points can be calculated. Please note that young children needing to be shadowed may participate but they are not eligible for points for the School Shields.
