EXTRA INFO

Entry fee: 2\$/competition

Ranking: There will be 1 'overall' ranking using the Scottish points system. The first of every course will get 1000 points (men and women have separate ranking).

The time of the other competitors is calculated as follows:

$$\frac{\text{winners time}}{\text{runners time}} \times 1000$$

Example:

Course 1 - Long & Difficult			Course 2 - Short & Difficult			Course 3 - Short & Easy		
Jeff	20'00"	1000	Ella	18'00"	1000	John	15'00"	1000
Sarah	25'00"	1000	Ryan	19'00"	1000	Ron	20'00"	750
Ken	26'00"	769	Rita	20'00"	900	Freddy	30'00"	500
Maria	30'00"	833						
Sean	35'00"	571						

To split the winners up :

the runners with 1000 point will get extra points if they have the fastest 'run in' (= time from last control to the finish).

Example:

Jeff (18" at the finish run in) - 1000 points

Sarah (15") - 1003 points

Ella (16") - 1002 points

Ryan (16") - 1002 points

John (13") - 1004 points

The 4 best results (out of 7 races) will count towards the overall ranking.

Prizes: There will be prizes for the top 5
